FOR THE **BATIK** LOVERS - EQUALIZER

This block is very simple BUT I am asking you to make a PAIR of blocks.

YOU WILL NEED:

- 2 2.5" x 10.5" rectangles of pale, muted or cream BATIK prints (C)
- 5 2.5" x 6.5" rectangles of pale, muted or cream BATIK prints (D)
- 2 2.5" x 10.5" rectangles complimentary of bright BATIK print (A)
- 5 2.5" x 6.5" rectangles of complimentary bright BATIK print (B)

CONSTRUCTION:

Use the same 2 fabrics for each block so you will end with complimentary squares. Sew center 5 strips together as shown for each block. Press seams in one direction. Add the long strips on the outside edges of the center units as shown. Press and starch blocks. This will be a **10-1/2"** block this month.

When setting the finished blocks, turn them 90 degrees to each other to give an interesting modern look to this quilt.

Each participant will get 2 tickets for your pair of blocks.
