

JUNE 2019 Be BOLD !

A **WOW** block in black and white-on-white

WHAT YOU WILL NEED TO CUT:

From a dark black print

8 3-7/8" squares (B)

From a white-on-white print

8 3-7/8" squares (A)

EASY CONSTRUCTION:

Mark each square with a diagonal line on the back. Pair a white and black square with right sides together and sew a 1/4" seam on each side of the line to form 16 half-square triangles of black (B) and white (A). Press open toward the black. Arrange the blocks as shown in the right-hand diagram. Sew one row together at a time and then the 4 rows. Press well and STARCH the new 12-1/2" block.
