

DECEMBER 2018 Block of the Month - Fractured 9-Patch

Materials:

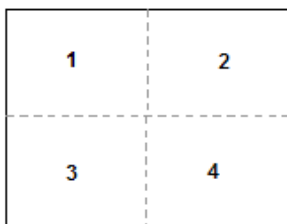

- 1 4-1/2" square white tone-on-tone fabric
- 4 4-1/2" square deep Christmas green print
- 4 4-1/2" square deep Christmas red print

Make a basic 9-patch block with colors arranged as indicated to the right >

G	R	G
R	W	R
G	R	G

Press the block WELL.

Cut the block EXACTLY in half from top to bottom and left to right so you have 4 identical squares >

Turn blocks #2 and #3 **180** degrees so what was the outside corner is now at the center of the block.

Your pieces should now resemble the colored block above.

Sew the 4 pieces back together and press well. You can sew a little ribbon poinsettia flower in the center if you wish. Enjoy!
