You Fill My Heart

YOU WILL NEED:

- 8 2.5" tan print squares (A)
- 2 2.5" red print squares (B)
- 6 2.5" light floral squares (C)
- 6 2-7/8" tan squares (D)
- 10 2-7/8" red squares (E)
- 4 2-7/8" light floral squares (F)

Half-square triangles: Place a red 2-7/8" square on each of the print 2-7/8" squares with right sides together. Draw a diagonal line on each set. Stitch 1/4" away (exact) from both sides of the drawn line. Cut on drawn line to make two triangles. You should have 8 triangles with floral prints (E-F), and 12 triangles with tan prints (D-E) on them.

CONSTRUCTION: Make the half-square triangles as instructed in the above box. Press them open and starch them without stretching them. Follow the diagram at the top right and lay out all squares to match the heart pattern. Sew the blocks together in rows. Be careful to match the seams. The only challenge is getting the red triangles going in the correct direction. Enjoy!
