UNIT 2

Join 3 red A's (2" x 8") to make a partial UNIT 1. Place white square (B) on 2 top corners, stitch on diagonal, press open and trim excess. Join red and pink patches (match the letters up as in the diagram) to form long strips. Sew them together in order listed above. Sew a white (B) patch on the upper and lower right corners. Sew the white (C) square to the right end of UNIT 1. Now join the top part (with the large white square) to the bottom part with the multi-shades of red and pink, and you have a Valentine's heart.
