

JULY 2019

QOV Block No. 1

This is a rework of the February Block of Mom's Window Garden without the flowers. Use very bold colors for this block to emphasize the patriotic theme. Try for a Federalist Gold color for the "C" rectangles.

You should cut:

- 1 6-1/2" square deep patriotic red print (A)
- 4 3-1/2" squares deep patriotic blue print (B)
- 4 2-1/2" x 6-1/2" rectangles Federalist gold (C)
- 4 1-1/2" x 6-1/2" rectangles white (D)

Sew four C-D units together. Sew a B square on each short end of two C-D units. Sew the center section together as shown to make a C-D-A-D-C unit. Sew one B-CD-B unit to the top of the center section so the gold is facing outward, and the other B-DC-B unit on the bottom of the center section so the gold is facing outward. Press all seams and starch the block well. It should be **12-1/2"** total size.
