Trunk Show & Workshop

Mumbo Gumbo

with Holly VanHaverbeke

Class: \$25 — Limit 20 Participants

What to do with all those scraps? A Cajun Gumbo uses a combination of what you have on hand: leftover turkey, seafood, chicken, sausage — whatever you have. Nothing goes to waste with the right combination. Learn to make a "fabric gumbo" with your leftovers.

Join Holly for a fun sew day, bring scraps, learn how to organize them for future projects. Free patterns and ideas. With this quilt pattern called Mumbo Gumbo, you can use whatever fabric you have.

SUPPLIES:

- ✦ It will speed up your sewing day if you pre-make a few 3 1/2" HST. Use a dark side and light side ... this creates the secondary pattern.
- ✦ **Fabric Strips** ... Since color doesn't matter, this is a good time to use up some of those leftovers. Any strips you have left from projects, cut into varying widths. I recommend no strips narrower than 3/4".
- ✦ Your usual sewing supplies: sewing machine, thread, needles, seam ripper, etc.
- ✦ 9 1/2" ruler to square blocks
- ✦ Small cutting mat and blade
- ✦ And an iron if you like pressing between rows.

Don't have a lot of scraps ... Don't worry ... Holly will bring extras you can add to your project.

A traditional Cajun Lunch will be served. Chicken and Sausage Gumbo, Potato Salad & French Bread.
